GREEN & GOLD

MESSAGE FROM THE PRINCIPAL

A huge thank you to everyone. I know these times are not easy but I wanted to express my gratitude. Thank you to the teachers. They are working so hard to ensure that all the students are catered for. They are preparing work hard copy and on line, making videos to stay connected and teach important concepts and calling and chatting to everyone. I can't wait to see how the Prep 'grass heads' grow!

Thank you to the parents. I have heard great stories of parents who are enjoying seeing what their children are doing and have started growing vegies and going out for walks. Things we often don't have time to do when we are all so busy.

Thank you to our students. We have seen wonderful work on line and returned to us in hard copy. The teachers have enjoyed chatting about things other than work and we are really proud of the efforts everyone is making.

To all of the wonderful mothers and grandmothers of Croydon Primary School, I hope you have a great day on Sunday. While it might be different and not the celebration you normally have, I hope it is still a time of catching up on line or on the phone, and a day of thanks for all that you do.

Thank you to Kelly Guild for producing the gift catalogue and organising bags for pick up. I hope the gifts make you smile.

MESSAGE FROM THE PRINCIPAL

ANDREW FULLER

Despite us having to postpone the staff PD with Andrew, I have really appreciated him keeping in touch and supporting the staff with remote learning. I have attached his suggestions for parents today. I hope that this provide support for you during what can be a quite challenging time.

ENROLMENT 2021

Despite us not being able to conduct tours, I would ask any families who are coming to Croydon next year to please fill out an enrolment form. You can find this on our website or pick one up from school. It will be difficult to work out staffing and numbers this year, due to the current circumstances. We really appreciate how our parents' positive attitude to the school can influence their friend's choices. If you know of a family who are interested in attending Croydon P S please let them know to be in touch. I can chat over the phone or send information.

A WONDERFUL CLIP

I'm not sure if you have seen this beautiful poem on the internet, but I loved it and thought it may help many reflect on the positives that may come from the difference in our lives.
