MESSAGE FROM THE PRINCIPAL

NO PACK PICK UP THIS FRIDAY

CONGRATULATIONS!

Our wonderful Multicultural Aide Team are finalists in the Victorian Education Excellence Awards.

They have been successful due to their outstanding support of our students and families during remote learning and their ground-breaking work with EDVOS on Family Violence education.

MESSAGE FROM THE PRINCIPAL

TERM 4

At this stage we are not sure when students will be returning. The government is due to announce their plan on Sunday.

Teachers will have prepared new learning packs for the first week which can be picked up on Monday 4th October if necessary

We are confident our school will meet the requirements of air flow, outdoor learning and small class sizes. We are really lucky that all of our rooms have been designed with sliding doors and outside access. Fingers crossed we will see you soon!

GREAT NAPLAN RESULTS

We were really pleased with our NAPLAN results despite the students not being on site for much of last year.

We are above the state in

Year 3 Spelling, Numeracy, Grammar & Punctuation and Year 5 Writing and Spelling

We continued to improve in Year 3 Reading, Numeracy

When compared to similar schools we were

Top school in

Year 5 Reading % top 2 bands, Year 5 Writing % top 2 bands, Year 5 relative Growth % High gain Writing, Year 5 % above benchmark Writing

Second school in

Year 3 Numeracy % top 2 bands

Third school in

Year 3 Writing % top 2 bands, Year 5 NAPLAN Numeracy % top 2 bands

WONDERFUL REMOTE LEARNING STORIES

Each day the teachers have really positive stories about someone doing remote learning. I hear about funny stories someone shared online, wonderful reading assessments that are happening across teams and I saw a great video created by two siblings explaining how to play down ball. While we of course want everyone on site, I thank the staff for their amazing efforts to keep all students in their differentiated groups and supporting the learning of every individual.

MESSAGE FROM THE PRINCIPAL

CONGRATULATIONS TO MARTY AND KAREN

We are pleased to announce the arrival of Quincy.
Marty has returned this week after 3 weeks leave.
We wish them well as they embark on the journey of parenthood.

COVID VACCINATIONS

At this stage we have not heard whether a pop up site will happen at Croydon. With the announcements of Mooroolbark, Chirnside Park and Kilsyth it seems unlikely. However EACH has moved to Eastland to provide a large vaccination site hoping to do 2000 a day.

If you are looking for somewhere closer please log on to

SCHOOL GROUNDS IN THE HOLIDAYS

Please feel free to play in the grounds, ride your bikes on the asphalt or kick a ball on the oval in the holidays. The more families we have using our facilities the better. Make sure you are not on your screens too much during the day and get out and practise with your hacky sack that Mr Ross bought.

If you do see any anti-social behaviour please call 000 immediately.

INTERESTING FACTS

The world's first guide dog was a German Shepherd bred by a wealthy American woman in Switzerland in the 1920s. Buddy was sent to America where she became a "seeing Eye dog" for her lucky new owner Morris Frank.

It is possible that whales can hear each other 160 kms apart.

Owls have eyesight over one hundred times better than ours.

*Kind Regards
Julie Gilbert*
