MESSAGE FROM THE PRINCIPAL

HAPPY HOLIDAYS
LAST DAY FRIDAY 26TH JUNE
ASSEMBLY 2.00 PM – GYM
DISMISS 2.30 PM

School Term 2 finishes tomorrow. Everyone is commenting on how fast the first half of the year has gone. I think that is because it has been such a fun filled, learning centred semester with lots of interesting activities.

I hope everyone gets a break with their family and enjoys some 'down time'.

We will see you back on Monday 13th July.

MURRUNDINDI

It was wonderful to have Murrundindi back with us again.

My favourite day of the year is to visit Healesville Sanctuary with the Preps for their first excursion.

We have a guided tour with Murrundindi discovering so much more than those who just wander about.

The plants in the sanctuary are especially interesting once we understand how the Wurundjeri people use them.

Paper bark, is like foil to wrap food for cooking. Soap tree for washing and keeping healthy.

NINJA COURSE

What an incredible addition to the school the Ninja Course has been. It is used before, during and after school and the weekends. I am incredibly proud of all of the students who have been able to give the course a go and achieve more than they thought.

The warp wall has seen a number of successful attempts from students and staff!

PARENT TEACHER INTERVIEWS

Thank you so much to everyone who participated in the parent teacher interviews. It is really important to share this information between teachers and parents.

I thank all of the teachers for the effort they put into the reports.

YEAR 3 /4 ANIMAL PROJECT PRESENTATION

Congratulations to all of the Year 3 /4 students for their work on their projects. As I wandered around looking at the dioramas and reading the posters I was really impressed in the knowledge everyone could share.

Do you know what a Sea Lamprey is?

MESSAGE FROM THE PRINCIPAL

GYMNASTICS

Last week Years 3 – 6 participated in a gymnastics unit. Specialised staff and equipment are brought in to teach this part of the curriculum. Many students found untapped flexibility!

INTERESTING FACTS

Our bodies grow 20 times bigger from birth, our eyes only grow 3.25 times bigger.

There are 31,557,600 seconds in a year.

After eating too much, your hearing becomes less sensitive.

NEWSLETTER DINOSAUR JOKES

What do you call a blind dinosaur?

A Do-you-think-he-saurus!

What does a Triceratops sit on?

Its tricera-bottom!

What kind of dinosaur always crashes its car?

A Tyrannosaurus wrecks!

Kinds Regards

Julie Gilbert

Term 2 Week 10

Last Week of Term!!

Wow how fast the week has gone by, the children have had an amazing term 2 with us as we have explored a variety of different themes and activities. We have had a big focus this term on our earth between looking after the environment to, how our countries and continents are made, and the people working hard to help us. Through all these themes we have also had a bit of fun with our learning through building our communication and skills working together through physical and mental games

Week 9: Rainbow Week

During this week we were very colourful in all our experiences as the children participated in painting, and glitter crafts making beautiful works of art. The children also participated in a few physical activities such as a scavenger hunt for the colours in our room, and a game of Rainbow basketball, where the children had to run forward when their colour was being called and try to get a hoop first. We had some colourful foods this week as we also started our new Vic Kids Eat Well program that promotes healthy eating, we had rainbow platters, made fruit spaghetti and even got to eat Rainbow spaghetti! The children really enjoyed learning about our three goals for our healthy eating program and came up with a lot of ideas for what we can change on our menu.

Before School Care: 7:00 – 8:45

After School Care: 3:30 – 6:15

Week 10: End Of Term!!

Our last week is always a party week here, we got a new game called unstable unicorns which has been really fun to play and explore all of the different action cards, the children have also been enjoying some of their other favourites such as playing a variety of tennis activities, crafting some special pop up cards, and getting outside to verse each other on some tricky games. We spoke a lot this week about what we are going to do on school holidays, this gave us the chance to ask those who weren't coming to our school holiday program what they were going to do instead.

We wish everyone a wonderful school holidays and we will see you in term 3!
